In the event of these items being regarded as extra to the Grant of Rs 2 lakhs the question arises Whether the announcement was not acted upon till now the Secretariat is not able to throw light.

Subject - Grants for drainage in Shimoga and housing facilities to the Municipal employees of the Shimoga Town Municipality graciously announced by His Highness

With reference to your letter No L 8037/M1 101-41-41 dated 4th March 1942, on the above subject, I have the honour to state as follows

2 In pursuance of D O letter No 3467-70/C B dated 12th March 1941 received from the Chief Secretary to Government for forwarding a list of the several requirements of this District for the utilisation of the special grant of two lakhs of Rupees (as graciously announced by His Highness) for expenditure on approved schemes relating to economic and other problems of the Malnad, a reference was made to him (Vide this office D O No M 6 Camp 2/40-41 dated 17th March 1941) for instructions as to whether the grant referred to above was meant only for villages or could be made available for Municipalities also A reply was received stating that the special grant of 2 lakhs of Rupees as announced by His Highness was intended for the improvement of the conditions of Minor Towns and villages in the Malnad (Vide Chief Secretary's D O letter No 3613/C B dated 25th March 1941, copy enclosed) In view of this reply and in view of the fact that Shimoga is a Town Municipality the two grants viz , (Rs 10,000/- and Rs 5,000/- respectively, towards Drainage and Housing scheme) were not included in the items of works furnished to Government in this office D O letter No M 6 C 2696/40-41 dated 31st March 1941 for sanction out of the two lakhs grant

3 With regard to para 2 of your letter under reference, enquiring as to why the announcement of the grant of (Rs 10,000/- Rs 5,000/- respectively) was not acted upon, I gather that the grants referred to above would it was expected, be made available by Government while distributing the Town and Water supply grants during the current year 1941-42 and that, no separate communication was made to Government in the matter However, proposals for the distribution of the grant in question for the current year 41-42 were made to Government in this office letter No M 3 C 1736/41-42 dated 8th December 1941

4 In view of these circumstances, I request that orders of Government may kindly be obtained for the grant of Rs 10,000/- and Rs 5,000/- as graciously announced by His Highness, to the Shimoga Town Municipality as a special case
